

SHREYANSHI SATODIA

Multi-Disciplinary

Senior Designer & Creative Strategist with 7+ years of experience creating brand identities, packaging, digital experiences, and campaigns across hospitality, healthcare, nonprofit, consumer, education, and entertainment. I enjoy turning strategy into thoughtful visual systems, partnering with multidisciplinary teams to build brands that feel intentional, memorable, and built to last.

EXPERIENCE

Clutch Creative Marketing Senior Designer / Creative Strategist
Sept 2023 - Present

Lead branding, packaging, and digital design across 30+ client brands spanning hospitality, nonprofit, healthcare, SaaS, and consumer industries. Partner with cross-functional teams to deliver identity systems, websites, campaigns, packaging, and environmental experiences from strategy through launch while mentoring junior designers and presenting work directly to clients.

Essex Media Group Senior Graphic Designer
Jan 2023 - Aug 2023

Led visual design for editorial publications reaching 100,000+ monthly readers, redesigning publication systems, advertising campaigns, and editorial layouts while contributing to the redesign of ItemLive.com. Collaborated with editorial, development, and sales teams to create engaging print and digital experiences.

Suffolk University Senior Peer Design Tutor
Sept 2021 - Dec 2022

Mentored undergraduate and graduate design students in branding, typography, UX, and portfolio development while supporting a team of 20 peer tutors. Led critiques and one-on-one sessions that strengthened creative thinking, presentation, and communication skills.

Dynamite Design Graphic Designer
Jul 2019 - Aug 2021

Developed campaign assets for Netflix, Sony Music, and Zee Cinema, contributing to 20+ entertainment campaigns, including five Netflix Originals. Collaborated with creative directors and copywriters to create campaign identities across print, digital, motion, and social from concept through production.

TEACHING & MENTORSHIP

Guest Lecturer Computer Systems Institute (CSI)

Delivered recurring guest lectures over an 8-month engagement, sharing professional insights on branding, typography, and visual communication with classes of 30-40 students while leading portfolio reviews and design critiques.
